

## **Covid 19 - Guidelines**

May 26th

Greetings Family Worship Center! On Monday May 25th, California governor Gavin Newsom announced the re-opening of Churches and of Places of Worship. We are excited to open our doors and resume worship at our Colton location. As of May 31st, we will be opening the church for worship in a way that ensures the health and safety of every person that walks through our doors.

### **Here are our guidelines:**

1. We recommend that all worshipers wear a face mask if possible.
2. Please practice social distancing by greeting others without shaking hands and giving hugs.
3. Seating will be arranged to meet social distancing guidelines, every other row has been blocked off. Please sit in permitted areas.
4. Families will be seated together (Children included - Children's Ministry will not be available due to social distancing guidelines).
5. A sanitation station will be available upon entry.
6. Temperatures will be checked for your safety and the safety of others upon entry. If you have a temperature, we will kindly ask you to return home and seek medical attention until you are well.
7. If you are elderly or experience a weak immune system, we understand if you are uncomfortable attending. We will be live streaming our services for your convenience.

*Family Worship Center pastoral staff and department leaders are here for you. We are wholeheartedly committed to doing whatever we can to help our church stay connected in these hard times. This is a new experience for us all and thank you for your understanding. We pray that God continues to give us patience, kindness, and a great Christian spirit. LET'S HAVE CHURCH!*
